

September 8, 2016

Dear Parents / Guardians:

Welcome to the 2016-2017 school year at Londonderry High School. I want to take this opportunity to invite you to our Parent Open House and Futures Lab / Naviance Presentation on Thursday, September 15th at 6:15 PM. This is an opportunity to learn more about a major initiative within our high school, and to meet your student's teachers to find out about academic programming. **Please print your child's schedule using the Parent Portal and bring it with you to the Open House. We will provide maps of the school, which will save time when you enter the building to locate classes and room numbers. If you are unable to access the Parent Portal please contact Assistant Principal Abbey Sloper at asloper@londonderry.org**

The Futures Lab staff, Maureen O'Dea (Director of Counseling), and I will give a brief presentation on elements of our College and Career Ready goal, and you will then proceed to your student's Period A classroom and listen to the teacher's expectations and content of that particular class. Upon conclusion of Period A, you will follow the schedule and go to the next class period just like your student does each day. Each class presentation will last for eight minutes and we will sound the bell when it is time to change classes. Student Council members will be located throughout the building to assist you with locating classrooms. If your student does not have an A period class you may wish to visit the informational tables, House Offices, or mingle in the cafeteria.

During your student's lunch and study hall times, refreshments will be served in the cafeteria and you will have an opportunity to meet our administrators and ask follow-up questions regarding our goals. You are welcome to stop by our Library Media Center on the second floor, and library staff will also be in the lobby to answer questions and provide brochures of library resources available for our students and parents. The LHS *Reflections* Yearbook staff will have a table set up in the main lobby to reserve copies of this year's 2017 book (checks can be made payable to LHS). They will also have a limited number of 2016 yearbooks available for purchase if your child did not purchase one last year. We will also have informational tables showcasing some of our co-curricular organizations, and our Futures Lab will be open most of the evening. Finally, you can visit our school store located in Room 304. School items will be available for purchase.

Please note that this evening is not for **individual parent/teacher** conferences. Those occur **November 18th**.

The Futures Lab / Naviance Presentation runs 6:15 - 6:35. The schedule for the remainder of the evening is:

A period	6:40 - 6:48	E period	7:32 – 7:40
B period	6:53 - 7:01	F period	7:45 – 7:53
C period	7:06 - 7:14	G period	7:58 – 8:06
D period	7:19 - 7:27	H period	8:11 – 8:19

I would strongly suggest that you **arrive no later than 6:00 pm**. This will allow you ample time to hear the presentation and locate your student's Period A class. I hope that you enjoy the evening and learn more about LHS. The entire staff of Londonderry High School looks forward to seeing you on Thurs, Sept. 15th.

Sincerely,
Jason Parent
Principal
